Mitchell E. Daniels, Jr., Governor
Karl B. Browning, Commissioner

FOR IMMEDIATE RELEASE

Sept. 8, 2008

Ramp from I-65 north to I-80/94 west closed during Major Moves construction

Closure scheduled for tomorrow night

GARY, Ind. – The Indiana Department of Transportation (INDOT) announces the ramp from northbound I-65 to westbound I-80/94 will be closed from midnight to 5 a.m. Sept. 10 during overhead bridge construction. This work is in relation to the Major Moves New Construction Interchange Modification project at I-65 and I-80/94 (the Frank Borman Expressway).

During the closure, a posted detour will direct I-65 traffic to take eastbound I-80/94 to the clover leaf ramps at State Road 51 (Ripley Street) to I-80/94 west.

The work schedule is subject to change in the event of inclement weather. INDOT reminds motorists to follow the posted work zone speed limit, use caution and consider worker safety when traveling through a construction zone. For more information about the Interchange Modification, visit www.in.gov/indot/div/projects/borman/ online.

Gov. Mitch Daniels' Major Moves transportation program fully funds a decade of critical highway projects in Indiana. It capitalizes on Indiana's strategic location at the *Crossroads of America* by building a superior road infrastructure. This innovative plan will bring jobs to the Hoosier State and leave a legacy for Indiana to be a global leader in distribution and logistics.
